Agent slave

Mark this node temporarily offline

Connect agent to Jenkins one of these ways:

Run from agent command line:

```
java -jar agent.jar -jnlpUrl http://localhost:8081/computer/slave/jenkins-agent.jnlp -secret e1ad3cf601cc53b047e159598bec94ea54a066e7029c7b4114f09b5667552917 -workDir "C:\Users\user\slavery"
```

Run from agent command line, with the secret stored in a file:

```
echo e1ad3cf601cc53b047e159598bec94ea54a066e7029c7b4114f09b5667552917 > secret-file
java -jar agent.jar -jnlpUrl http://localhost:8081/computer/slave/jenkins-agent.jnlp -secret @secret-file -workDir "C:\Users\user\slavery"
```
